CLASS DESCRIPTIONS

Balance: Safely and efficiently push your boundaries in balance, conditioning and strength by challenging yourself in this class designed to help improve your daily active lifestyle.

C.L.I.M.B.: Confidence, Longevity, Independence, Mobility and Balance. A class specifically designed to build strength and increase the endurance of our lower body.

Open Pool: Come swim or play. Open pool time for members outside of classes.

Stretching: Wake up, limber up and feel better! A class specifically designed towards loosening tight muscles, reducing pain and improving flexibility and balance.

Seated Gentle Yoga: Come join us for this class designed to work both body and mind. Designed to accommodate all skill levels and abilities.

Sit to Be Fit: This class is designed to strengthen the body for daily activities. Exercises will encourage better breathing, correct posture and stronger muscles.

Tai Chi for Beginners: Learn slow, methodical movements that flow together to improve balance, strength, blood flow and range of motion for the joints. Class will be held in the Wellness Center.

Trivia: A challenging mental workout that will focus on solving trivia puzzles to sharpen mental processes and overall over all brain function.

Walking Club: Walk talk and meet new friends as we traverse the Well-more campus inside and out. Getting exercise as we walk with a purpose.

Water Aerobics: Time to H2GO! A full body aquatic fitness class geared to the abilities of all members looking to lose weight, build strength and improve physical fitness all while having fun in the pool.
